## **Elliott Davis Technology Solutions, LLC Announces New Ownership and Company Name**

**AUGUSTA, Ga., Dec. 29, 2008** – Elliott Davis, LLC, one of the largest accounting, tax and consulting services firms in the Southeast, announces a change in ownership and company name for its technology consulting firm affiliate, Elliott Davis Technology Solutions, LLC.

Effective Dec. 31, 2008, Managing Shareholder Charles Johnson will become the owner of EDTS, LLC, the new name of the full-service technology consulting firm with locations in Augusta, Ga. and Greenville, S.C.

“I chose the name EDTS, LLC because it represents the four core values we provide to our clients – Experience, Dedication, Technology and Solutions,” said Johnson. “Despite the new name and ownership structure, our employees and commitment to service remain the same – these are the real strengths of EDTS”, added Johnson.

EDTS will continue to serve as a full-service technology consulting firm, specializing in networking, security, and managed services support solutions for businesses throughout the Southeast.

“I’m excited about this opportunity to begin a new chapter in EDTS’ history,” said Johnson. “This change allows us to attract a variety of new clients and allows us to provide new services for our existing clients,” added Johnson.

EDTS began in 1999 with only two employees and has continually expanded its services and increased its staff to twenty- four in 2008. The combined knowledge of EDTS’ workforce represents more than 175 years of experience in the IT industry.
